WHAT'S DOING

R.S. Pyle, your Telephone Manager in Torrance

Safety's always been in style at Pacific Telephone, and today that style features a belt in front. They're the seat belts we've installed in company vehicles—designed not to keep telephone people in fashion, but to keep them in place.

For our safety philosophy is based on the wise old saying, "an ounce of prevention is better than a pound of cure." While seat belts can't prevent accidents, they can help prevent serious injury should an accident happen.

Matter of fact, telephone people have found this safety idea such a good one, many are installing seat belts in their own cars.

Have you seen the new Bell Chime? It's a telephone bell you can set to call you in any of these three tones: a soft, melodic chime when you want peace and quiet, or when someone's resting; a regular telephone ring; a loud bell you can easily hear when you're outdoors or when there's lots of

activity in the house. If you'd like to find out more about the modern, low-cost Bell Chime, just call your telephone business office or ask your telephone service man.

A handy item for traveling is a Bell System credit card. With it, you can make long distance calls when you're away and have them charged to your own telephone number. You simply give the operator the information shown on your credit card.

Another handy feature of the credit card is a cut-out slot that can hold a dime so you'll always have one ready for a coin booth. Your telephone business office will be glad to tell you more about these convenient credit cards.

Board Snubs 'Get Tough' Resolution

Attacking Lawndale's method of fighting juvenile delinquency, the Torrance Board of Education ignored a request to support proposed legislation to halt gang violence Monday night.

The Lawndale City Council has adopted a two-point program.

1. Make mandatory the surrender of driver's licenses of all youth dropping out of school. The license would be re-instated if a review board deemed it necessary to the normal activity of the youngster.
2. Any person under 21 would lose his driver's license upon being convicted of either a misdemeanor or a felony. Restoration would depend upon the review board and the posting of a \$10,000 bond.

Board member Bert Lynn wanted to know who the review board would be, saying, "I do not want another bureaucratic set-up."
